

## Environmental Studies major 2025 transitional plan

The following advice applies to students who commenced in the Bachelor of Arts in 2024 or prior. This planner will assist you in the completion of your major as it transitions to a new structure from 2025.

If you have questions about this plan or need help to map out the remainder of your study, please contact either the [CASS Student Office](#), or the convenor for this major. The convenor for the Environmental Studies major is Dr Rebecca Pearse - [Rebecca.pearse@anu.edu.au](mailto:Rebecca.pearse@anu.edu.au).

### Changes to the Environmental Studies major:

Review your studies and tick off the courses you have completed.

If a course is no longer offered see advice for alternatives below.

This information should be read in conjunction with the program requirements for the [Bachelor of Arts](#).

#### **This major requires the completion of 48 units, of which:**

A maximum of 12 units may come from completion of 1000-level courses

A minimum of 6 units must come from completion of 3000-level courses

#### **The 48 units must include:**

##### **18 units from the completion of the following course(s):**

| Course Code | Title   | Advice               |
|-------------|---|----------------------|
| ENVS1001    | Environment and Society:<br>Geography of Sustainability |                      |
| ENVS2011    | Human Ecology   |                      |
| SOCY2022    | Environmental Sociology                                 |                      |
| HIST2211    | <b>Global Environmental History Since 1945</b>          | This is a new course |

##### **6 units from the completion of the following course(s):**

| Course Code | Title  | Advice |
|-------------|--|--------|
| ENVS1003    | Introduction to Environmental and<br>Social Research |        |

|          |  |  |
|----------|--|--|
| ENVS1004 | Australia's Environment                                      |  |
| ENVS1008 | Sustainable Development                                      | This course has been renamed <b>Fundamentals of Environment and Sustainability</b>   |
| HIST1210 | The Great Acceleration: People and Planet Since 1945         | This course has been disestablished from 2025. If you have already completed the course, it will still be counted towards your program |
