Project Title	
Estimated Costs	
Airfares	
Accommodation	
Childcare (optional)	
TOTAL	

Project Abstract

Please provide a non-technical summary of the objectives of the proposed project (up to 500 words)

4. Project Description

4.1 A summary of visiting fellow's main research achievements and expertise. Please comment on research output, impact, and contributions to field of expertise.

4.2 A proposal of work including aims and significance, and the suitability of the research environment in the host School/Centre. Please include reference to Inclusivity, Diversity, Equity and Access, where relevant. This should include a brief description of any specific skills and expertise that will be transferred between the visiting fellow and the host and/or host's School/Centre. Please also include planned activities that will highlight and showcase research from the Global South to broader audience (other than host's school/centre).

4.3 A brief statement about how the fellowship will enhance future collaborations (e.g., research funding, publications, or conferences/workshops/exhibitions/performances). Please include information about links with other researchers in Schools/Centres other than the host's School/Centre, where appropriate.

4.4 A summary of the likely benefits arising from the visit to the School/Centre. Please include reference to Inclusivity, Diversity, Equity and Access.
